Mystic Union

An Essay in the Phenomenology of Mysticism

NELSON PIKE

New in Paper! "Mysticism and religious experience, especially in their Christian forms, have often fared badly at the hands of [modern] English-speaking philosophers. However, new philosophical studies . . . have now begun to appear. . . . Pike here offers one of the most important and fully developed defenses of the possibility of phenomenologically theistic mystical states."

The Concept of Faith

A Philosophical Investigation

WILLIAM LAD SESSIONS

Faith lies at the heart of human life, and not just in religious contexts. But just what is faith? Sessions ventures a new approach to this question. Viewing it in global terms, he provides an insightful set of analytical tools for deepening our understanding of the ideas of belief.

Perspectives on Moral Responsibility

EDITED BY JOHN MARTIN FISCHER AND MARK RAVIZZA

Headed by Peter Strawson's "Freedom and Resentment," this book's first sequence of articles gives an overview of the concept of moral responsibility. Following chapters discuss applications of that concept, and consider alternative possibilities.
